# 2024 AUTHORITY BUDGET MESSAGE & ANALYSIS

## Passaic Valley Water Commission

**FISCAL YEAR: January 01, 2024 to December 31, 2024**

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

1. Complete a brief statement on the Fiscal Year 2024 proposed Annual Budget and make comparison to the Fiscal Year 2023 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

Salary & Wages - Admin increased overall by 10.26% due to additional budgeted hires, director level positions that are expected to be filled, and an uptick in expected overtime.

Fringe Benefits - Admin have increased by 11.06% because of healthcare associated with new hires, and increase in healthcare costs due to our loss run ratios.

Health insurance provider was changed effective 2/1/2024, which resulted in a significant decrease in cost over the incumbent provider's renewal rates.

Miscellaneous Appropriations overall (Admin + Cost of Providing Services) have decreased by 0.69%.

Please refer to the attached Variance Analysis spreadsheet for backup.

Other Operating Revenues - Miscellaneous have been budgeted to increase by approximately \$600,000 reflecting an increase in billing of late fees. Late fees had been budgeted very low in 2023 due to the extension of the moratorium on shutoffs and late fees (stemming from the pandemic). Late fee billing resumed in 2023, and the current budget accurately reflects expected late fee revenue for 2024.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

Local economy is stable. Budget has been prepared expecting some increases in costs due to inflation.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

To minimize need for issuing debt.

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or shared service payments, **pilot** payments, or other types of contracts or agreements. (Example - To provide police services to the Authority, etc. and explain the reason for the transfer (i.e. to balance the County/Municipal Budget, etc.)

N/A

5. The proposed budget must not reflect an anticipated deficit from 2023 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

PVWC will pay its annual pension bills, post-employment benefits, and over time will fund the GAAP accounting defecit.

**(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report. How would these deficits be funded?**

*Answer the question below using the space provided.*

6. Attach in FAST a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) **if it has been changed since the prior year budget submission** and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in rate structure, **if applicable**. (If no changes to fees or rates, indicate answer as "**Rates Are Staying The Same**".

A 5.9% retail and 6.0% wholesale rate increase has been approved by our Board of Commissioners, as well as a 6.0% rate increase for Lodi. Fire line rates are not being increased pursuant to our most recent Cost of Service Study. Other aspects of our rate structure remain stable.
