# Passaic Valley Water Commission Issues Boil Water Advisory for section of Paterson

---

## FOR IMMEDIATE RELEASE

(Paterson, N.J. – June 19, 2024) – Due to a water main break, Passaic Valley Water Commission (PVWC) has issued a boil water advisory for residents and businesses in South Paterson, specifically these areas:

- Route 19 to East Railway Avenue
- Madison Avenue to Genessee Avenue

*This advisory is effective immediately and will remain in place until further notice.*

## Immediate Actions Required:

- **Boil Water Before Use:** All water for drinking, cooking, making ice, brushing teeth, and washing dishes should be brought to a rolling boil for at least one minute. Allow the water to cool before using.
- **Alternative Water Sources:** Please use bottled water if boiling is not possible.

## Reason for Advisory:

The advisory is a precautionary measure to ensure the health and safety of our community, our number one priority.

## Ongoing Efforts:

PVWC crews are actively working to address the issue and restore normal water service. We are conducting thorough testing and will provide updates as they become available.
