## **Passaic Valley Water Commission to Repair Water Mains in Paterson, Low Pressure Possible starting Monday**

---

FOR IMMEDIATE RELEASE

(Paterson, N.J. – June 15, 2024) – Beginning Monday, June 17<sup>th</sup> at approximately 8:00 a.m., Passaic Valley Water Commission (PVWC) will continue repairs to water mains in Paterson, which may cause low pressure and/or discolored water in these areas:

- First Ward (areas surrounding Northside, including Temple St)
- Third Ward (areas surrounding 5<sup>th</sup> Ave and River St)
- Fourth Ward (areas surrounding Lafayette St, Broadway, Madison Ave)
- Fifth Ward (areas surrounding Park Ave and East 18<sup>th</sup> St)

Repairs are anticipated to be completed in about two (2) weeks. Customers experiencing discoloration are encouraged to run their cold taps until the water is clear.

PVWC is committed to maintaining and improving the infrastructure that provides clean, reliable water to our community. We apologize for any inconvenience this necessary work may cause and appreciate your understanding and cooperation. For more information, please call customer service at 973-340-4300, option #2.
